Continuing Professional Development (CPD) Compliance Policy

1. Introduction

Overview

The completion of Continuing Professional Development (CPD) is a requirement for specialist registration with the Medical Board of Australia (MBA) and vocational registration with the Medical Council of New Zealand (MCNZ).

To ensure that RANZCR Fellows, Educational Affiliates, trainees and CPD Participants can be compliant with the requirements of the MBA and MCNZ, RANZCR provides an Accredited CPD program, as specified in the RANZCR Articles of Association in Section 3.1.6, *“Fellows and Educational Affiliates must participate in and meet the minimum requirements of a relevant CPD program specified by the Board from time to time.”*

With effect from January 2021 the MBA requires International Medical Graduates (IMGs) to participate in a CPD program. The RANZCR accredited CPD program meets those requirements. IMG’s practicing in Australia are classified as CPD participants.

New Zealand IMG’s have been required to participate in a CPD program for some time. Under RANZCR’s Articles of Association, New Zealand IMG’s are classified as Educational Affiliates. The RANZCR CPD program also meets the requirements for New Zealand based IMG’s.

Scope

This policy defines the compliance requirements for practicing Fellows, Educational Affiliates, trainees and CPD Participants of The Royal Australian and New Zealand College of Radiologists, in accordance with the standard for CPD outlined in the RANZCR Clinical Radiology and Radiation Oncology Continuing Professional Development Programs.

Definitions

Educational Affiliate

means a person specified in the Register as an Educational Affiliate of the College.

Fellow

means a Member who has been admitted to Fellowship of the College in accordance with RANZCR's Articles of Association and whose Membership of the College has not terminated for any reason.

Medical Associate

refers to prospective trainees, medical students and junior doctors who are interested in a career in clinical radiology/radiation oncology. Non-specialist doctors that are qualified and recognised by APHRA as a doctor but who has not gained a fellowship from a recognised Specialist Medical College in Australia or New Zealand or another recognised Specialist Medical Society.

CPD Participant

means an International Medical Graduate (IMG) who is practicing in Australia on a limited medical registration, provisional medical registration or general medical registration in an up-skilling capacity.

Nursing and Allied Health Associate

refers to other healthcare professionals whose scope of practice identifies with clinical radiology/radiation oncology.

Specialist Associate

refers to a doctor who has trained and gained a Fellowship from a recognised Specialist Medical College in Australia or New Zealand or another recognised Specialist Medical Society.

3. Policy Statement

Purpose

To set out the minimum requirements for eligible Fellows, Educational Affiliates and CPD Participants for successful participation in the RANZCR CPD program as well as being compliant with relevant legislation and other jurisdictional requirements. This Policy also specifies the actions that the College may pursue against a Fellow, Educational Affiliate or CPD Participant who fails to meet the minimum requirements of the CPD program.

3. Policy Statement

Compliance

- 3.2.1 Compliance with the standard for CPD as set by RANZCR (and specified in the CPD Handbook) is a requirement of membership for all Fellows, Educational Affiliates and CPD Participants who are in active practice in Australia, New Zealand or Singapore.
- 3.2.2 Eligibility to participate in the CPD program is dependent on being an active financial Fellow, Educational Affiliate or CPD Participant and all required subscriptions have been paid.
- 3.2.3 Special consideration may be applied for when a Fellow, Educational Affiliate or CPD Participant who requires a break in practice for up to 12 months due to medical, parental or carers leave. Further information can be found in the CPD Handbook.
- 3.2.4 Fellows, or Educational Affiliates not residing or practicing in Australia, New Zealand or Singapore can apply for exemption from participation in the RANZCR CPD program by providing evidence of compliance in another relevant CPD program (considered on a case-by-case basis).
- 3.2.5 Fellows or Educational Affiliates residing overseas but registered to practice in Australia with the MBA or New Zealand with the MCNZ are required to complete the RANZCR CPD program. IMGs classified as CPD participants will be practicing in Australia and must meet the requirements of the RANZCR CPD program.
- 3.2.6 Fellows who retire from practice are not required to comply with CPD requirements and are, therefore, automatically removed from the College's CPD program. Written notification/request to remain in the program can be submitted and a fee paid. Retired Fellows who are not in practice but wish to return to practice should be aware of external regulatory requirements which have been identified within the College's Recency of Practice Guidelines available on the RANZCR website at:
<https://www.ranzcr.com/recency-of-practice-guidelines-clinical-radiology>
<https://www.ranzcr.com/recency-of-practice-guidelines-radiation-oncology>

3. Participation Standards

- 3.3.1 The RANZCR CPD program is the only program recognised by RANZCR for the purposes of providing either the annual statement of participation, or the certificate confirming completion of the CPD requirements for the annual CPD cycle.
- 3.3.2 Evidence of CPD activities must be accessible in case of audit either by the College or the Regulatory Body. RANZCR provides the CPD e-Portfolio for this purpose. The CPD e-Portfolio enables easy storage, monitoring and retrieval of CPD activities.
- 3.3.3 An annual CPD statement of completion will be available for those participants that have met all the requirements of the RANZCR CPD program. The CPD program requirements are clearly outlined in the CPD Handbook <http://www.ranzcr.com/fellows/general/cpd-overview>

3. CPD Audits

- 3.4.1 RANZCR conducts a CPD audit each year on a randomly selected 5% of Fellows, Educational Affiliates and CPD Participants.
- 3.4.2 All participants in the RANZCR CPD program are expected to produce evidence of completion of the CPD activities claimed for the year in which they are selected for audit. Accepted types of evidence are listed in the CPD Handbook.
<http://www.ranzcr.com/fellows/general/cpd-overview>
- 3.4.3 A Fellow, Educational Affiliate or CPD Participant will be deemed compliant if they meet the minimum CPD requirements as specified in the CPD handbook.
- 3.4.4 If an audited Fellow, Educational Affiliate or CPD Participant does not have appropriate evidence for a claimed activity, the hours for this activity will not be counted towards the audit.
- 3.4.5 If an audited Fellow, Educational Affiliate or CPD Participant has input into the CPD e-Portfolio more than the minimum requirement of 50 hours and has the appropriate evidence for the hours claimed they will be audited for the minimum of 50 hours only.
- 3.4.6 If a Fellow, Educational Affiliate or CPD Participant fails to record CPD activities for the minimum requirements as specified in the CPD handbook, they will be considered non-compliant for that CPD year ([see section 3.5 Non-compliance](#)).

3. CPD Audits

- 3.4.7 Requests for exemptions from the audit will be considered under the following guidelines:
- (a) Extenuating circumstances such as, serious illness, in which case the Fellow, Educational Affiliate or CPD Participant will be audited in the following year.
- 3.4.8 Requests for extensions during the audit process:
- (a) Extensions for submission of CPD evidence will be granted for reasonable circumstances (considered by the College) for a period up to 1 month.
 - (b) If a Fellow, Educational Affiliate or CPD Participant cannot provide their evidence by the 1-month extension, the matter may be referred to the respective Chair of the Professional Practice Committee for Clinical Radiology or Radiation Oncology.
 - (c) Requests for extensions beyond a period of 1 month may be referred to the Chair of the respective Faculty.

3. Non-compliance

- 3.5.1 RANZCR applies the same standards and principles as those of the MBA and the MCNZ in respect of submission of CPD documentation. The MBA requires RANZCR to inform them of any Australian practitioners who are non-compliant. The MCNZ requires New Zealand practitioners to self-certify completion of their CPD.
- 3.5.2 Should a Fellow, Educational Affiliate or CPD Participant fail to demonstrate compliance with the RANZCR CPD requirements or fails to respond to the College to requests for information, the following actions will be taken:
- (a) An initial notification will be sent to the Fellow, Educational Affiliate or CPD Participant informing them of their failure to demonstrate compliance and seek a response within 30 days. This correspondence will include the expectations of the College and of MBA or MCNZ with regard to CPD.
 - (b) Fellows, Educational Affiliates and CPD Participants will be offered guidance on how to comply with the CPD program requirements.
 - (c) Any Fellow, Educational Affiliate or CPD Participant who does not comply or respond to the initial correspondence within 30 days, will be presented to the next meeting of the respective Faculty Professional Practice Committee who will issue a final notification of non-compliance with a 14-day response period. More than one mode of communication will be employed (letter, email and/or telephone).
 - (d) Fellows, Educational Affiliates and CPD Participants who are non-compliant or non-responsive after the actions in sections 3.5.2 (a), (b) and (c) have been taken, will be sent a letter, on behalf of the Board, informing them that they are accountable to their respective medical board for any claim they may make when self-certifying as CPD compliant. Australian participants will additionally be reminded that RANZCR is required to report non-compliance to Ahpra.

3. Non-compliance

Audit Process Steps	Timeframe
College staff commence audit process	15 February or next business day
Fellows, Educational Affiliates and CPD Participants chosen for audit are notified and given 30 days to action this request	1 March or next business day
Fellows, Educational Affiliates and CPD Participants chosen for audit who do not comply or respond within 30 days referred to respective PPC	31 March or next business day
Final notification of non-compliance with a 14-day response period issued	7 April or next business day
Fellows, Educational Affiliates and CPD Participants who are still non-compliant and non-responsive are sent a letter on behalf of the RANZCR Board, detailing the potential implications of self-certifying CPD compliance and that RANZCR is required to notify Ahpra of non-compliant participants in Australia.	21 April or next business day
