The Faculty of Clinical Radiology

APPLICATION FORM BILL HARE TRAVELLING FELLOWSHIP

*For Fellows (preferably more than five years post-Fellowship at close of application) in
clinical radiology*

The Faculty of Clinical Radiology Council of The Royal Australian and New Zealand College of Radiologists has instituted an annual Fellowship award to support a Fellow (preferably more than five years post-Fellowship at close of application) for a period of intensive/overseas study (three to 12 months in duration). Alternatively, the award may support a Fellow to attend an international short course focusing on a specific skill (of two weeks to one month in duration). The primary purpose of the Fellowship is to allow a qualified diagnostic radiologist to further their knowledge of an acknowledged subspecialty or skill, in which there is a recognised shortage, by studying in Australia, New Zealand or overseas.

It is noted that in the absence of an applicant of more than five years post-Fellowship, applicants of less than five years post-Fellowship may be considered. This may include those who have applied for the Thomas Baker Fellowship.

The recipient must satisfy all of the following criteria:

- A Fellow of the RANZCR (preferably more than five years post-Fellowship at close of application)
- Residing in Australia, New Zealand or Singapore at time of application, appointment and commencement of the Fellowship

The value of the Fellowship shall be up to A\$30,000, to be expended on return travel and living costs for the tenure of a Fellowship, or for the return travel, living costs and registration fees associated with an international short course.
