

NOMINATION FORM GOLD MEDAL

The Gold Medal is only awarded on rare occasions for exceptional and outstanding contributions to the clinical radiology and radiation oncology professions. The award should ordinarily be made before the end of the recipient's fully active professional life, but retired Fellows within five years post-retirement may be nominated.

The Terms and Conditions for RANZCR Awards and Prizes apply.

SECTION 1a: NOMINEE INFORMATION

Member ID

Title First Name Surname

Date of birth

Address

Suburb State Postcode

Country

Telephone Email

Discipline Clinical Radiology Radiation Oncology

Currently practicing Yes No

Current appointment if practicing

SECTION 1b: NOMINEE QUALIFICATIONS

Name of qualification Date

Institution

Name of qualification Date

Institution

Member ID

Title First Name Surname

Address

Suburb State Postcode

Telephone Email

Relationship to nominee

Length of time nominator has known nominee

Signature

Date

SECTION 3: NOMINATION SUPPORTING INFORMATION (UP TO 800 WORDS)

Please indicate the Gold Medal category/categories under which the nomination is made and provide comprehensive supporting information detailing the nominee's suitability for the award in the selected categories including:

- Advice of how the nominee's work has changed and improved clinical practices
- Specific examples of:
 - Initiatives, changes and improvements to training curricula and/or
 - process other support provided to trainees
 - specific examples of initiatives where the contribution has resulted in improvements in the reputation and function of the College.
- College office bearer and other committee member positions held by the nominee and any other volunteer positions held in organisations affiliated or associated with the College
- National and international awards from other bodies
- List of top 20 published articles, and details of their impact
- Positions held or awarded by other organisations or institutions.

(a) **The performance of innovative and original research** in a technical or clinical sense that has led to significant advances in the sciences of radiology or radiation oncology particularly where, as a result, the recipient has achieved international repute.

(b) **Outstanding work of an administrative nature** over a long period of time that has resulted in further development of facilities for education and research and, as a consequence, has been responsible for substantially raising the standard of teaching and practice in one or other of the sciences mentioned.

(c) **Prolonged and exceptional service to the College** over many years, of a more or less continuous nature, and including the holding of one or more of the high offices of the College, where the contribution has resulted in improvements in the reputation and function of the College.

(d) **Benefactions** that have influenced to a marked degree the development of the sciences of radiology or radiation oncology in Australasia and/or Singapore.

- (e) **Work service or benefactions in other exceptional circumstances** as may be determined from time to time by the Board.

SECTION 4: REFEREES

A Gold Medal nomination must be supported by four referees, who must all be members of the College. Please note, referees may be contacted by the College regarding this nomination.

Referee 1

Title	First Name	Surname		
Address				
Suburb		State		Postcode
Telephone		Email		

Referee 1 supporting letter (400-800 words)
