

Application Form THOMAS BAKER FELLOWSHIP

*Clinical Radiology or Radiation Oncology
For Fellows up to six years post-Fellowship at close of application*

The Terms and Conditions for RANZCR Grants and Fellowships apply.

The purpose of this Fellowship is to allow a qualified clinical radiologist or radiation oncologist to further their knowledge by studying abroad. The tenure of the Fellowship may be three to 12 months and in special circumstances the applicant may elect to spread the tenure over an 18 month period. Applicants are required to provide a proposed plan of study, including proposed research projects, within the application.

The recipient must be:

- Either a Fellow of the RANZCR (up to six years post-Fellowship at close of application); or a trainee member who has passed the relevant Part II or Phase 2 FRANZCR examination will be considered, provided that the candidate expects to be eligible for election to Fellowship of the College not later than 1 April of the year in which it is proposed that the tenure of the Fellowship should commence
- Either a clinical radiologist or radiation oncologist or enrolled in the training program as outlined above
- A graduate of a University in Australia, New Zealand or other Medical School approved by the Faculty Councils
- Residing in Australia, New Zealand or Singapore at time of application, appointment and commencement of the Fellowship

Possession of a higher medical qualification will be an advantage.

The value of the Fellowship is AU\$20,000, which must be applied to return travel and living costs for the tenure of the Fellowship.
