The Faculty of Radiation Oncology

## APPLICATION FORM Withers and Peters Grant

*Radiation Oncology*

*For Fellows (less than five years post-Fellowship) and trainees (who have passed Phase 2 examinations)*

The purpose of the Withers and Peters Grant is to promote the culture of radiation oncology research among Fellows and eligible trainees of the College, by supporting our most able and committed early career researchers to carry out significant research projects. It is hoped that recipients of this grant will go on to have careers in which research plays a significant role, to the benefit of patients, the recipients themselves and the wider oncology community.
