

Trainee Assessment of Training Site (TATS)

The TATS assessment is for you to rate your training location and training experience on a range of dimensions and to provide comments as needed. For further information on this assessment and its submission requirements, please refer to the Trainee Assessment of Training Sites (TATS) Assessment Instructions on the [College website](#).

Anything you write in this assessment will be CONFIDENTIAL. Your Director of Training/training site will never see or hear what you have written. The information provided in this site assessment will be used by RANZCR to guide future training requirements and requirements for accreditation.

This form is to be completed by the trainee. Trainee is to retain the completed assessment and return to the College using the [Trainee Assessment Summary Submission Form](#) by 31 January 2022. The College will manage your personal information in accordance with its [Privacy Policy](#).

Trainee and Site Information:

1. Trainee Information:
